

STONE CREEK ELEMENTARY

AUTOGRAPHED BOOK ORDER FORM

Last week students attended a special literary event author, Steve Bramucci. They now have the special opportunity to purchase one or more of his books. The books will be personally autographed to each student by the author.

STEPHEN BRAMUCCI is an award-winning travel writer and adventurer. He's rowed down the Mekong Delta, crossed the Australian outback in a car powered by French fry oil, and explored ancient pirate islands in Madagascar. A lifelong animal lover, Stephen's encounters with endangered species often come up in his classroom presentations.

About the books: Indiana Jones meets Lemony Snicket in this hilarious new series--fully illustrated by picture book talent Arree Chung--that's a must-have for all aspiring adventurers.

"The ride of a lifetime." --Matt de la Peña, Newbery
